

Introducing our newest CD...  
**The Dream is Carried On**

The Masters of Harmony takes pride in offering a collection of sentimental and inspirational favorites. *The Dream is Carried On* presents selections conducted by directors Mark Hale and Justin Miller.

Once again the Masters of Harmony weaves its musical magic in a program designed to uplift and inspire. This time we are pleased to be accompanied by the young men from The Westminster Chorus, two-time international champions, whose voices are combined with the Masters in a spectacular finale.

You will savor the rich taste of four-part harmony. *The Dream is Carried On* will delight you and likely have you declaring, "The best just keeps getting better!"

**Still available for  
 your listening enjoyment...**

For *Portrait*, we have chosen an entire gallery of songs for you to enjoy: jazz, classical, pop, blues, show tunes, songs of faith, and more. Also included are selections from OC Times and Masterpiece, two champion quartets from the Masters of Harmony.

*The Way We Were*, a lyrical walk down memory lane featuring compositions that have made this gold medal-winning chorus the toast of the barbershop world since 1990. We have also included one signature song from each of our four international champion quartets - Gotcha!, Nightlife, Michigan Jake and Revival.

*Christmas Eve In Our Hometown* is a collection of beloved and blessed holiday favorites. This recording features songs with a 16th-century flavor, a deliciously modern flair, a rich blend of traditional carols and even a tune with a calypso beat!

In 1996, the Masters of Harmony and Nightlife, a quartet from the ranks of the chorus, struck it rich and each won gold medals in international competition. *California Gold Rush* is your opportunity to enjoy the California chorus and quartet that took home all the gold.

*Masterpiece* highlights some of the greatest composers of all time... Irving Berlin, Leonard Bernstein, Jerome Kern, Meredith Willson, and others. This album shows you why Masters of Harmony performances are met with rave reviews and standing ovations.

In *Caroling! Caroling!* the Masters of Harmony presents a collection of some of the most exciting holiday music you'll ever hear, sung with passion and perfection. Included with the old Christmas chestnuts are special arrangements of seldom-heard holiday songs.

The Masters of Harmony's first album, *Showtime*, is a stunning collection of barbershop favorites, including a special medley of music from Hollywood movies.
